Newsletter - January 2023 - Issue 1

Hello friends!

Wow! 2022 was a year to remember! It was a year of tremendous growth and trust for the ministry. We are so very grateful to our partners and I am reminded daily of so many blessings for which to give thanks. We want to share a brief run down of what's been happening! God has opened so many doors, and we faithfully walked through...knowing that He is walking with us...this is His ministry. To God be the glory.

- Jan. 1: We moved into our new location at 314 Main St. E in New Prague! We have tripled our afterschool attendance!
 - February: we celebrated two years at our second TreeHouse location at Bridgewood Church in Savage!
 - March: we began the production of our new documentary video that launched in April called "See Hope Grow." To view, go to our website at www.thewellym.com.
 - May: We entered into a contract with Scott County to assist with a truancy diversion program; together we developed a new program called P.A.T.H. (Promoting Attendance Through Hope.) We hired Sara Bernard of Prior Lake to fill the position as PATH Coordinator and she works with truant students in the Middle/High Schools of Scott County.
 - June: We acquired the Chaska TreeHouse, already serving 20+ students. We also hosted our Annual Plant Hope Banquet at MN Horse & Hunt Club with over 100 people attending, \$30,000 raised. Praise Jesus, what a wonderful time.
 - September: We opened a new TreeHouse in Shakopee, MN, hosted by Resonate Church. We then hired Pastor Tyler Sotebeer to manage the Shakopee & Chaska locations.
 - October, we launched an in-school support group within the Jordan Middle School.
- In 2022, we served over 150+ students, provided meals & transportation at all locations. Six students have pledged to live a life transformed by Jesus and we have plugged two families into local churches. With God anything is possible. We move into 2023 with a huge goal to reach over 300 students and to grow all locations. Thank you.

In Him,

Deb & Jim Bodensteiner

We love our volunteers! It takes an army of them to do what we do! Ask yourself how you might get involved? We need:

- ⇒ Meal provided at all locations! For 8-18 students, and our volunteers.
- ⇒ Van Drivers needed at Shakopee, New Prague. Pickup students 5:30-6:30pm Take students home 8:30-9:15pm
- ⇒ Support group backup - all locations.
- ⇒ MENTORS! Our goal is for all students to have a mentor if they desire one.
- ⇒ The Well Rec Center needs volunteers on Wed/Thurs. afternoons, 2:30 - 5:30pm.
- ⇒ Training is provided.
